GENERAL INFORMATION

1. Who is organizing the program?

ESTP Paris and EPF are two French engineering higher education institutions which join forces to offer this high-quality French Language Summer program. The Summer program is organized by their joint French Language Department.

2. What is the Intensive French Language Summer program about?

The summer program usually offers intensive French classes during the summer on ESTP Paris and EPF campuses, both located in Cachan in a welcoming and immersive environment close to Paris. The classes will be held on EPF new campus in Cachan, 55 avenue du Président Wilson, CACHAN (RER B, station Arcueil-Cachan) in the morning. The activities, visits, conversation workshops and theater classes will be proposed on the afternoon.

For the students unable to come to France to attend the program, it will be possible to participate to the morning classes online with the other students.

Our program provide immersion learning in small groups which guarantees an efficient and rapid progress. It will also help you to discover French culture and the Paris region.

3. Who can apply to this Intensive French Language program?

This course is targeted to students and teaching staff interested in learning, improving or reinforcing their French language skills. It is recommended for Bachelor, Master or PhD students in scientific and technical majors (engineering, computer science, chemistry, architecture, mathematics, etc.).

Our teachers are also trained to prepare international students for their current or upcoming studies in French Universities and Engineering Schools.

4. I am under 18 years of age. Can I apply?

Participants must be 18 years old and over when they join the program.

5. I am not a student: can I apply?

Our program is open to any person interested in learning French with native speakers!

6. What are the topics taught in this Intensive French Language program?

- Core French Language (Phonetics, Grammar, Vocabulary)
- Introduction to French culture
- Conversation and writing workshops
- Lessons focused on scientific subjects (mathematics, mechanics, structures and materials, economics, etc.)
- Methodology
- Cultural activities and visits
- Theatre classes (speech and public speaking)

- Picnics at the Parc de Sceaux and in Paris
- Tutoring sessions and personalized teaching

7. How long does the course last per week?

The program consists of an online 25-hour-course per week, from Monday to Friday.

8. How is organized a typical week of class?

The program includes per week:

- 20 hours of French lessons (Core and Scientific French language);
- 5 hours of tutoring, cultural activities and/or workshops;
- Self-paced lessons and assignments throughout the training
- Personalized teaching, tutoring sessions

9. What level of French is required to register to the program?

Courses are designed for all learners from total beginners (A0-A1) through advanced levels (B2-C1), in accordance to the Common European Framework of Reference for Languages (CEFRL).

10. What are the different group levels?

After the result of the placement test upon arrival, students are placed in a group corresponding to their French level in line with the Common European Framework of Reference for Languages:

- A1 / Beginner
- A2 / Elementary
- B1 / Intermediate
- B2 / Upper Intermediate

We are committed to keep small groups of students which guarantee active learning, collaboration and student-teacher interactivity.

11. How many students can participate in each class?

We accept a maximum of 15 students per class.

12. Can I get a schedule beforehand?

Detailed timetables will be shared with enrolled students about a week before the beginning of the session.

13. Do I take a French language placement test?

Yes, every student must take a placement test at arrival. This test is compulsory as it is used to determine your level in French in order to place you in the most appropriate group level and **it will determine the length of your participation and the total amount to pay.**

You will take a quick written and oral test (15 min) with one of our teachers during which you will engage in a conversation and answer several questions. You won't need to prepare for these placement tests.

14. I have a French Language certificate. Will I be evaluated before the course starts?

Yes, every student must take a placement test at arrival, regardless of the level mentioned in your French language certificate. We need to assess the level you will actually have at the time of your participation.

15. What funding options do you have for this program?

Unfortunately, we are not able to offer any scholarship to participants at the moment. We suggest you check grant opportunities in your country.

16. Do you run French language courses at other times of the year?

Yes, we also offer French language classes throughout the academic year, from September to May. Classes are held every Tuesday and Thursday evenings from 6.30 to 8.30 pm at EPF campus in Cachan.

REGISTRATION

1. When can I register to the program?

Registrations are opening in May and until June 3, 2022.

You can find more detailed information on the [online registration platform](#).

2. How can I register to the program?

In order to register to our online course, please follow those steps:

1) Go to our [online registration platform](#)

2) Create an account, which will give you access to the registration form. Please use the email address you use most frequently: your password will be sent to this email address.

Please note that the email can take some time to arrive as it needs to be sent manually for some email addresses. I advise you to [contact us](#) if you did not receive the password after 1 day.

3) Log in with your email address and the provided password. Change immediately your password to secure your account.
